Dear Volunteers, Donors and Valued Friends of *Love Is The Answer*

Summer 2022

Singer songwriter in the 60s, recording artist in the 70s and film maker in the 80s and 90s, I was inspired to investigate LITA in 2000 by Jessica Durant, a friend, neighbor and former LITA volunteer visitor. For six years prior to LITA, I'd represented Long Term Care Health industry, driven by concerns over my own aging parents. I met the LITA of Contra Costa board members and they offered me the opportunity to support LITA of Contra Costa's mission as Executive Director. I am the sole employee, administrator, volunteer manager, accountant, clerk, fundraiser, publicist, garden and new programs designer and now a performer for LITA's zoom shows.

Reporting to the LITA board and working directly with nursing facility activity staff, I coordinate weekly and or seasonal Love Is The Answer skilled nursing facility activities. Since Covid, pay is what budget allows. After 22 years, I'm priveledged to say I can donate hundreds of hours work to LITA each year. LITA served facilities in 2022: Legacy Nursing and Rehab in Maritnez, Greenridge Senior Care in El Sobrante, Vale HC in San Pablo, Windsor Rosewood Manor Care in Pleasant Hill, Bayberry Health care in Concord, Tampico HC in Walnut Creek and Pittsburg Skilled Nursing. LITA provides electronics donations for some additional locations.

Spring 2020, I introduced a weekly one hour LITA musical variety show on zoom, with music volunteer John Gruenstein. It is free for any and all nursing facilites. John is zoom host, our anchor man, folk singing guitarist and banjo player. My show niche is singing Mexican and other Latin classics wearing floral hats a la Frida. Between us we have attracted top notch jazz and classical and musicians as well as drumming belly dancers. Generous individuals and corporate donations since 2016 have allowed LITA to gift hundreds of personal iPods tablets, headphones, iPhones and fun electronics to now well over 600 resident skilled nursing facility patients.

In 2021, thanks to Share The Spirit Foundation, I began setting up the first of LITA's interior patio gardens for residents to enjoy open air and if so moved, get hands-on gardening time. We have LITA patio gardens now operational in El Sobrante, Pittsburg, Martinez and Walnut Creek. A third of LITA's funding comes from individuals and family trusts. To date LITA has won grants for its community work from foundations like Share The Spirit. Chevron, P66 and Johnson & Johnson employees and retirees send matched donations to LITA.

I've heard of no local agency that does all that LITA does. At age 75, I am constantly seeking young successors interested in experiencing the diverse rewards and responsibilities inherent in carrying on LITA's mission: improving quality of life for our most vulnerable senior and disabled citizens living in skilled nursing facilities.

Thank you for remembering LITA of Contra Costa and the often invisible segement of society we serve.
May you each remain hopeful, healthy and as active as your circumstances and our times will allow!

NOTE: Many government forms asked of any non-profit have been getting more challenging since COVID, eliminating our ability to bring off a July 4th drawing, since getting a permit timely has not yet been possible. Instead, LITA's board gathered up donations of fine art and gift cards to say "Thank You" to 4 topmost summer donors. **If you have a favorite, note and donate by July 30** with email and phone in case delivery is required
